## RICHMOND UNLIMITED THREE-DAY WOMEN'S TOURNAMENT

GREENACRES GOLF CLUB—15, 16 17 OCTOBER 2018

Our inaugural tournament is over and what a huge success it was. The Committee would like to thank the Board for putting its trust in our vision and commitment to host the event, our own women members for the tremendous support they showed in entering and all the men and women and spouses who volunteered in so many ways. Thanks to Alistair for his guidance, Elaine and Chris for refereeing and Kathy Simpson and her team for the delicious food. Our success is due to everyone involved.

Here are some facts:

112 entrants from Omaha in the North to St Clair, Dunedin in the South  
Complimentary practice round on the Sunday, followed by Meet & Greet Reception  
A.m. and p.m. shotgun start each day with approx 60/52 in each field  
Daily prize-giving  
95 attended the finale dinner on the Wednesday night  
Major Sponsors at the dinner included Richmond Unlimited, NBS, Olive Estate  
Media present - Waimea Weekly and Wild Tomato

We kicked off with a Meet and Greet reception on Sunday evening. This included a fashion show of Wendy's latest summer arrivals, modelled by our own players. The Pro Shop very quickly filled up with ladies queuing to buy outfits they'd seen in the show. A complimentary glass of wine and canapés were also on offer. Three days of golf followed. The weather wasn't quite what we expected from the forecast with cloud on Tuesday and wind Wednesday morning but everyone coped. We're golfers!

The foyer of the Club House, the Best Island Lounge and the ladies changing room all looked a picture with amazing floral displays designed by Jennie and assisted by Jill and Rima.

66% of participants responded to the written survey available on the last day. The responses were, in the main, overwhelmingly positive. The Pimms tent, the Snack Shack, the complimentary goodies and an impressive daily prize table were all very popular. Ladies described the organisation in glowing terms, "superb, perfect, fantastic, great job, excellent, most enjoyable, can't rave enough, well run, efficient, exceptional, brilliant, next to none, marvellous, fabulous". "Friendliness" was a recurring word used. Many indicated they will be back next year. Many of our own ladies told us how proud they felt to be a member of Greenacres.

Comments on the course were that it was in great/amazing condition and very impressive. Kudos to Andy, Adam, Fred and the large team of volunteers. Thank you for the 4.30am starts and having the fire roaring for us as we arrived at 6 am.

Some suggested how we could tweak the odd thing to improve for next year. Others said "don't change anything". We will be reviewing all the responses in the coming weeks.

We couldn't have had such great success without our many sponsors, in particular our naming sponsor Richmond Unlimited, together with NBS, Seifried Estate Winery, Olive Estate Lifestyle Village and Proper Crisps who were all incredibly generous and supportive.

Greenacres women did very well in the tournament with Diane Groom winning the Best Overall Nett.

If you haven't already got it in your calendar, save the date for 2019 – 16, 17 and 18 October.
