

**LOST PROPERTY**

Tui Miller has misplaced a TaylorMade rain cover, pitching wedge and No. 6 iron covers, so if anyone has spotted these items, please return them to her—pop them into the shop and Alistair will make sure she is reunited with her possessions.

Thanks.

**LADIES SHOOTOUT FINAL**

The final is being held on Sunday 4 Nov, over the front 9 holes commencing on the first tee at 9.30 am.

The finalists in qualifying order are:

Mary Eggers, Rachel Saunders, Dawn Ellis, Anna Lucas, Dorothy Marshall, Denise Elliott, Anita Kelling, Pam McLean, Jane Wickham and Sue Taylor.

Wishing all competitors good luck.

It would be great to see others come and support the event, but also if other members wish to play that morning, we suggest they avoid the front 9 holes for quite a while!!

## GREENKEEPER'S CORNER—HEALTH & SAFETY

It is totally unacceptable to hit a ball when anyone in front of you, be it another player or a member of the greens staff, is within striking distance. Please be a little patient and wait until people are out of your range.

Greenkeepers have been instructed to report any person hitting up on them by name or by taking a photograph of that person. The Board are prepared to take serious action with regard to these kind of incidents.

Only play up to greenkeepers working on the course if they have signalled that you can play your shot.

*Ultimate Golf Fashion*

The shop is now fully stocked with all the summer range of ladies fashion. We did such a roaring trade at the 3 day tournament that some sizes have gone already, but there is still plenty to choose from. There are some great mens shirts too, with more to come next month.

## UPDATE FROM THE OFFICE!

Sadly, the Sprig & Fern is no longer producing kegs of its popular *Ginger Beer*, so make the most of it before we revert back to bottles .....

We are making slow, but steady progress with applications and interviews for staff in the café and have one new face joining us very shortly, so please welcome Jessica (Jess or Jessie) McKenzie-Wills.

Please also welcome another 9-hole member, David Ashton, who has joined us following a recommendation from another recent new member.

We need a volunteer (or better still two or three+ volunteers) to lock the club house and close the gate after dark each night. A member has been kindly doing this for some time but is on leave and in any case needs some support. The Board is working on alternative options for a more secure clubhouse and in the meantime will have to engage a security contractor if we are unable to find a volunteer. Please see Stuart or Alistair if you are able to assist.

Many thanks.
