

POLITE REMINDER

Please ensure that you close the trundler/club storage door after you to keep all your possessions safe. On several occasions recently, the door has been left wide open with no-one in sight. This happens when the door is left hooked open, so please remember to unhook it when you leave.

Thank you.

A warm welcome to our latest new member, Callan Savage.

We all look forward to meeting you over the coming weeks and months!

Like other forms of compulsive behaviour, for true golfaholics even nine holes are more than they should attempt, yet 18 holes are not enough to satisfy their insatiable craving for humiliation and self-abuse.

An elderly man in Queensland owned a large property for several years.

He had a dam in one of the lower paddocks where he had planted mango & avocado trees. The dam had been fixed up for swimming when it was built & he also had some picnic tables placed there in the shade of the fruit trees.

One evening the old farmer decided to go down to the dam to look it over, as he hadn't been there for a while. He grabbed a 10 litre bucket to bring back some fruit. As he neared the dam, he heard voices shouting & laughing.

As he came closer he saw it was 4 young women skinny-dipping in his dam. He made the women aware of his presence & they all went to the deep end.

One of the women shouted to him: 'We're not coming out until you leave.'

The old man frowned: 'I didn't come down here to watch you ladies swim naked or make you get out of the dam naked.'

Holding the bucket up he said: 'I'm here to feed the crocodile.'

Moral: Old men may walk slowly, but they can still think fast.

Golf appeals to the idiot in us and the child. What child does not grasp the simple pleasure/principle of miniature golf? Just how childlike golf players become is proved by their frequent inability to count past five!!
